FROM THE PASTOR'S DESK - - -

It seems to be getting a bit old sleeping on a couch in the Parish Center, but one day soon after July 4th Gary's Restoration is suppose to work in my Rectory basement and take care of the mold.

Last week I discovered a leaking pipe from the hot water heater above the janitor's closet at All Souls Church led to mold forming on the ceiling of the closet. We will need to take care of that.

There will be a letter being mailed this week to all All Souls' parishioners on the matter of financial stewardship in our parish. Our cash flow is such that we are finding it difficult to meet obligations by the end of the month. We need support from all our parishioners. Please read carefully the letter and determine where you are located on the chart of giving. We need your support.

As we observe the Fourth of July next Saturday, remember in your prayers the protection of our personal liberties, especially the freedom of religion. With the Supreme Court coming down with some important decisions at this time, we must be concerned that government not infringe upon the right to practice our religious convictions. Please make sure to read the enclosed bulletin insert on this matter, especially with regard to marriage.

Recently Pope Francis issued his new encyclical on the environment, including a section on global warming. There is bound to be some controversy. Not everyone will agree with everything contained in the encyclical. However, this is not intended to be an infallible statement. If nothing else, it is a good reminder for the US and the world that God created everything directly or indirectly and that humankind has a duty to take care of the environment and to care for the well-being

of the people of the world. Let's consider the document in that light.

Congratulations go out to Natalie Ramirez as she celebrates her Quinceanera. May she be open to our Lord's blessings as she begins this new stage of her life.

Last week I received the six-month two per cent interest checks on savings deposited with the Diocese. St. Mary's received \$200.00 and Sacred Heart received \$486.60.

NEXT SUNDAY - PETER'S PENCE COLLECTION - Next weekend our diocese will take up the Peter's Pence Collection

which provides Pope Francis with the funds he needs to carry out his charitable works around the world. The proceeds benefit the most disadvantaged: victims of war, oppression, and disasters. Join our Holy Father as a witness of charity to those who are suffering.

DID YOU KNOW? GOD BLESS YOU! In 600 AD Pope Gregory the Great is said to have coined the phrase "God bless you" for when someone sneezed. The Justinian Plague which began in 541 AD is so called because it took place while Justinian I was emperor of the Byzantine Empire. It is said to have killed 5,000 people a day, or 25 million people worldwide. An early symptom of the plague was sneezing. By saying "God bless you," people hoped that the disease could be halted in the one who had sneezed.

A VOCATION VIEW - Since you have been raised up in company with Christ, be intent on things above rather than on things of earth. Come follow Christ, and have for yourself a new life too.
