**FROM THE PASTOR'S DESK - - -**

Our Lord calls us to put on Jesus, that is to reflect Him in our daily lives in what we think, say and do. At the end of each day before going to bed, examine your conscience and consider how you measured up to that standard in what you thought, said or did. Many people don't examine their conscience for fear of facing the truth.

This past Wednesday we had the funeral Mass of Gladys Berry, one of our old timers. How disappointing there were not more of our parishioners present either at the Rosary Vigil or at the Mass. Not everyone was working at those times. Whether you know the person or not, one of the corporal works of mercy is to bury the dead. By participating in one of the services, you fulfill your obligation. As Jesus tells us, what you do unto one of these, you do unto me. How do you measure up?

Last week a letter was mailed to all All Souls' parishioners on the matter of financial stewardship in our parish. Our cash flow is such that we are finding it difficult to meet obligations by the end of the month. We need support from all our parishioners. Please read carefully the letter and determine where you are located on the chart of giving. We need your support.

Last week the Sacred Heart Association made a donation of \$500.00 to the Doves for its work with abused women and children. Also a donation of \$200.00 was made to a local man who was a recent victim of a house fire. Such works of charity are part of our ministry as church. May God bless you.

If you did not give today, you may designate a gift in next weekend's collection.
