FROM THE PASTOR'S DESK - - -

As we make our way through these summer days and weeks, please use the opportunities to observe the wonders of God's creation around you and to point this out to your children or grandchildren. Take time for prayer each day and make the effort to visit Catholic churches on your travels. It is always good to include God as part of your everyday routine.

Our Lord calls us to put on Jesus, that is to reflect Him in our daily lives in what we think, say and do. At the end of each day before going to bed, examine your conscience and consider how you measured up to that standard in what you thought, said or did. Many people don't examine their conscience for fear of facing the truth.

Last week a letter was mailed to all All Souls' parishioners on the matter of financial stewardship in our parish. Our cash flow is such that we are finding it difficult to meet obligations by the end of the month. We need support from all our parishioners. Please read carefully the letter and determine where you are located on the chart of giving. We need your support.

Last week the Sacred Heart Association made a donation of \$500.00 to the Doves for its work with abused women and children. Also a donation of \$200.00 was made to a local man who was a recent victim of a house fire. Such works of charity are part of our ministry as church. May God bless you.

MATCHING FUNDS - All Souls Parish has a serious financial condition that needs to be addressed. A special "Matching Fund" has been established by one of our parishioners. A dollar for dollar match of contributions, up to a total amount of \$5,000 to the All Souls Building Fund will be made for a limited time ending on Sunday, August 30, 2015.

Since the "Match Funds" need to be tracked, please write on your Building Fund envelope or on another envelope that the donation is for the "Special Matching Fund." We as parish members need to take advantage of this generous, helpful solution to our financial situation. Please keep in mind that any donations to this special offer should be above and beyond

what you normally give on Sunday. It should not take the place of your regular giving.

This is not a long term solution to our financial problems at All Souls, but this is a goal for each of us on the short-term. This is your parish, and as members of the parish, it is also your responsibility. All of us need to step forward with our prayers, time, talents, and treasure to help ensure the long-term financial health of All Souls Church. Thank you

MARRIAGE IS NATURAL - Marriage is a natural institution that predates government. Every human society has acknowledged that the sexual union of man and woman matters because it creates the next generation. While Jesus elevates Christian marriage to a sacrament, the complementary of the sexes and natural meaning of marriage can be known through reason without appealing to Scripture.
