FROM THE PASTOR'S DESK - - -

This past week Gary's Restoration cleaned and took care of the mold and decontamination in the Rectory basement. Praise the Lord! They are still working on the black mold in the janitor's closet at the church.

In addition since the motor went out on the north side air-conditioning/heating unit of All Souls Church, Oregon Trail had to put in a new motor at the sum of \$1,500. Please take advantage of the "Matching Funds" below to help us out on the maintenance expenses of our parish.

As we make our way through these summer days and weeks, please use the opportunities to observe the wonders of God's creation around you and to point this out to your children or grandchildren. Take time for prayer each day and make the effort to visit Catholic churches on your travels. It is always good to include God as part of your everyday routine.

Congratulations to Berenice Mier as she celebrated her Quinceanera this past Friday. May she be blessed as she celebrates a new stage of her life. May she respect her young womanhood, be true to family honor, and faithful to her Catholic faith and Mexican heritage.

For your information, I will be visiting my family in Michigan between Tuesday, July 28th and Thursday, August 6th. If there is anything you need to see me about, this week would be a good time.

MATCHING FUNDS - All Souls Parish has a serious financial condition that needs to be addressed. A special "Matching Fund" has been established by one of our parishioners. A dollar for dollar match of contributions, up to a total amount of \$5,000, to the All Souls Building Fund will be made for a limited time ending on Sunday, August 30, 2015.

Since the "Match Funds" need to be tracked, please write on you Building Fund envelope or on another envelope that this is for the "Special Matching Fund." We as parish members need to take advantage of this generous, helpful solution to our financial situation. Please keep in mind that any donations to this special offer should be above and beyond what you normally give on Sunday. It should not take the place of your regular giving.

This is not a long-term solution to our financial problems at All Souls, but this is a goal for each of us on the short-term. This is your parish, and as members of the parish, it is also your responsibility. All of us need to step forward with our prayers, time, talents, and treasure to help ensure the long-term financial health of All Souls Church. Thank you.

UPCOMING PARISH PICNICS - Sacred Heart Parish will celebrate their annual outdoor Mass and picnic at the Randall's home at Lake Minatare on Saturday, July 18th at 6:00 PM. It will be potluck. St. Mary's will have a picnic at the town park on Saturday, August 22nd. After the 6:00 Mass at the church. It will also be potluck.

MARRIAGE HELP - Retrouvaille (pronounced retro-vi) has helped tens of thousands of couples. The program offers a chance to rediscover yourself, your spouse, and a loving relationship in your marriage. For confidential information about or to register for the program being offered Aug. 21-23, in Schuyler, Nebraska, call 1-888-317-5654 or check the web site www.retrouvaille.org

MAGNIFICAT BRUNCH IN ALLIANCE - JULY 25TH - This will be hosted at Holy Rosary Lyceum (9th & Bighorn) at 9:00 AM on Saturday, July 25th. Christine Lee will be the featured speaker. Chris will share her personal journey of faith, family and friends. Her outlook on life was greatly changed after attending a Cursillo weekend many years ago. Registration with \$10.00 prepaid is required. Send to Teresa Nelson, 1044 Yellowstone Ave., Alliance, NE. 69301. If you have questions, call her at 308-762-1368.

WHAT IS MARRIAGE? Marriage is the permanent and exclusive union of one man and one woman, for the good of the spouses and for the procreation and education of children. One man, one woman, for life. Men and women are equal and different. Sexual difference is essential to marriage and raising children.

THAT MAN IS YOU! This is an interactive men's program focused on the development of men in the modern world. It combines the best research from science with the teachings of the Catholic faith and the wisdom of the saints to develop the vision of authentic men capable of transforming themselves, their families and greater society.
