Dear Brothers, Sisters and Children in Jesus Christ,

Settling down in a new place is not easy. But it is happening faster and easier than expected. And I am grateful to all of you for the same. I am indebted to many people of our parish communities particularly at Bridgeport for making the process of transitioning and settling down easy and smooth for me. May God reward you for your good will, hard work, and the time, energy and other resources spent on my behalf in order that the rectory is got ready to welcome me into this new home and family of yours.

I had the opportunity to preside over the Eucharist at each of our parishes last weekend and to get to know some of you. I am impressed by the spirit of unity, fellowship and willingness to work together that exists in all the parishes of Sacred Heart Church, Bayard, All Souls Church, Bridgeport and St. Mary's Church, Dalton. My appreciation is due for Fr. Dave who was instrumental for molding you all into such wonderful communities of Christ's disciples. Let's remember him with grateful hearts and pray for him that he would

As I already mentioned at each of the Churches last week, I would like to learn from you all to be your pastor. So please feel free to express your opinions, suggestions, feedback and corrections to me. Let's also remember that you and I together make up our local Church. It's not I, the pastor alone! But each one of us individually belongs to that community of disciples of Jesus and collectively we are a group that is on a journey of pilgrimage here on earth. So let's support one another, appreciate each other and give positive encouragement to every initiative that comes up from anyone.

Yours in Christ Jesus,
Fr. C.P. Varghese
Pastor
