Dear Sisters, Brothers and Children in Jesus Christ,

Hurricane Harvey reminds us once again that despite all the scientific advancements we claim to have made, we humans are not in control of our universe, much less even of our own planet. We know that while thousands lost their valuables including their own houses, many lost their lives too almost overnight. This tragedy therefore further informs us that the life that we have received from our God is a gift and not the result of our merits. And our lifespan is measured and determined by the Almighty. Let us therefore be grateful to our God for all that we have and all that we are, is nothing but the benevolence of our God. And it requires a loving response from our part being generous with what we have, having a heart to share it with the less privileged, the unfortunate ones of our society.

Here is an opportunity for us. We have been directed to take a second collection at the weekend of September 9/10. The funds collected in this one-time special appeal for Hurricane Harvey Relief will be used to support the efforts of Catholic Charities USA, the official domestic relief agency of the U.S. Catholic Church, as they and their member agencies respond to immediate emergency needs for necessities such as water, food, shelter, and medical care as well as to the long term needs to rebuild and recover after widespread destruction, and of the United States Conference of Catholic Bishops for pastoral and reconstruction aid to the Church. We will be sending the proceeds from this special collection for Hurricane Harvey to the Grand Island Diocesan Chancery Office. At this time, let us also continue to pray that compassion and generosity may prevail in human hearts.

Yours in Christ Jesus,
Fr.C.P.Varghese
Pastor
