Dear Sisters, Brothers, and Children in Jesus Christ,

"Come after me, and I will make you fishers of people" (Matthew 4:10). Before going back to his Father, Jesus got ready a bunch of young people to continue the work that he was sent to do. They did not doubt for a moment before saying 'yes' to him. Thanks to their readiness and commitment we have the Church. But Jesus still needs people to carry on his work here on earth.

There are days when we priests are so frustrated looking at the dropping numbers of young people who opt to be priests and religious and say to ourselves, or ask the Lord, "Why doesn't any youngster want my job?" But we will not give up hope and be desperate for it is his Church and his people that we are called to serve. So he will take care of it.

November 4<sup>th</sup> to 11<sup>th</sup>, 2017 is held as National Vocation Awareness Week in USA. Could we pray earnestly and ardently that the hearts of our youth are touched by the Lord and that they respond to his call most generously? There's going to be a special program 'Encounter with God's Call Weekend' organized by the vocation commission of the diocese, one in Fall (Nov 11-13, 2017) and one in Spring (April 14-16, 2018). Let us encourage our young men who are through high school juniors to 25 year old, to attend either of these programs so they could discern God's will in their lives. Meanwhile without losing hope, we shall continue to pray to the Lord so that he could send more laborers into his vineyard.

Yours in Christ Jesus,  
Fr.C.P.Varghese  
Pastor
